About our program

Blazing Trails, located at Pathfinder K - 8 in West Seattle, is a non-profit before and after school childcare program for school-age children ages five through twelve.

Open registration for the 2020-21 school year begins April 1, 2020. Please come in (April or later) for registration paperwork or print copies from our website. Alternatively, feel free to ask us to mail you the paperwork.

We fill up quickly, so register early!

Children are organized into Communities of Respect (CoRs) Raccoons are Kindergarten & 1st grade, Badgers are 2nd grade and above, along with any student not yet ready for the Lynx CoR. Lynx are 5th through 7th graders who, by displaying readiness and interest, have been invited to join. Projects are CoR based. Activities including field trips can be mixed-CoRs, depending on the curriculum. Check with Blazing Trails' office for program details.

BT Philosophy and Vision

Our vision: "Children are empowered to discover their worth."

We are dedicated to supporting families in our community as we help each child develop good communication skills and celebrate his or her own uniqueness. We maintain an environment that encourages intellectual, physical and social growth with respect for others and the natural environment. People relate to each other peacefully and we joyfully appreciate our rich diversity.

Staff training is a crucial component to accomplishing our goals. We support our staff, both professionally and personally, through respect for each other's personal differences and unique teaching styles. We provide opportunities for shared leadership, professional growth and development and an environment that encourages mutual support and care.

General Information

- We are open from **6:30 to 8:45** AM before school and from **3:25 to 6:00** PM after school. Times may be slightly different for bus riders.
- We are open all school days (except BT training days) and only certain vacation days. See the **B.T. Calendar** for more information.
- Our goal is to inspire positive self-esteem, respect for self and others, a sense of responsibility for one's own behavior and a respectful caring for our environment.
- Parents/Guardians are always welcome to drop by to share their experiences or to just "hang out" and play.
- Blazing Trails maintains, on average, at least an 11 to 1 student/teacher ratio, varying with different activity types. For example, more kids per teacher with gym/playground activities and less with directed projects. No group is ever larger than 15:1.
- Blazing Trails' "roving teacher" and office staff are not figured into the student/teacher ratio and are extra adults available to support our teachers and students. They help with problem solving, bandaging, TLC and any other possible challenges.
- We have use of Pathfinder's playground, grassy fields, cafeteria, gym facilities and covered play-court.
- We provide healthy snacks.
- Our curriculum is child-centered, culturally relevant and developmentally appropriate. For example, activities might include, but are not limited to:
 - Movement games, sports and outdoor play, science discoveries, cooking, story reading and telling, community service, beading, sewing and other arts & crafts, table games, field trips during vacations, theme and club related projects of all kinds (e.g. Pokémon, puppetry, team challenges, etc.) and individual study
- "**Independent Study**" is available M through Th afternoon to help 2nd – 6th graders with their homework. Students enjoy herbal tea while focusing in a quiet, supportive environment. You may request your child have "mandatory" attendance on these days. Also, we can certainly accommodate those wanting more time.
- Blazing Trails is a non-profit organization with its own governing board.
- We offer "drop-ins" when space is available. Blazing Trails accepts DSHS and City subsidies and has some scholarships available (limited) or work trade at the Director's discretion.
