Revised: March 20, 2018

Note: Fieldtrips marked with an "\$" may have an extra cost. Please, ask in the office for more information.

Blazing Trails – Duck/Raccoon Enrichment Class Details for Summer 2018

NOTE: All enrichment classes are available for 1 week sign ups unless otherwise stated. Some classes are only available at 1 week intervals- these are noted.

WEEKS 1 & 2

UNDER THE SEA – Through art projects and science experiments we will try to find answers and an understanding of the 4 ocean levels. From splashing and surfing to submarines and seaweed, we will examine the incredible depth and breadth of our oceans.

WOODWORKING – Designing, measuring, sawing, hammering, sanding, drilling and using screws. There will be some plans available, but kids will mostly create from small-medium sized wood pieces.

DUNGEONS AND DRAGONS – Explore a fantasy world full of adventure. In D & D, you get to play a game with friends where you help create the story as you go. Students will get a chance to make their own character and imaginatively overcome obstacles with their peers. **Registration for this class must include our signed permission slip. Ask Andy for details.**

PHOTOGRAPHY– Experience the art of photography through the years, from Polaroid's to digital- we'll even turn the teacher's lounge into a camera!

DODGEBALL – Build your skills! See Blackie's Games schedule for details!

WEEKS 3 & 4

GUITAR/SONG WRITING – We will spend time getting to know guitar basics such as how to hold the instrument, string names and basic playing! Then we'll write, compose and arrange our own song(s). Students **MUST** sign up for BOTH weeks.

GARDENING- Participating students will have the opportunity to build, decorate and plant a garden bed. Students **MUST** sign up for BOTH weeks.

ORIGAMI (Week 3 Only)– Origami is an ancient art of folding paper into decorative shapes. It teaches patience, hand-eye coordination, spatial reasoning and creativity. Children will have opportunities to learn new skills and teach each other as the week goes on.

DISABILITIES (Week 3 Only)– Children will learn about differently-abledness in various forms and experience these differences first hand.

BASKETBALL (Week 3 Only)– Build your skills! See Blackie's Games schedule for details!

MINECRAFT (Week 4 Only)- Students will explore how parts of Minecraft work in real life. Find out how people cultivate plants, animals and minerals. Learn about real life equivalents of common Minecraft structures.

LEGO SIMPLE MACHINES (Week 4 Only)- Using *LEGOeducation* curriculum, kids will build in pairs to learn about wheels, axles, gears, levers and pulleys.

DODGEBALL PT. 2 (Week 4 Only)- Build your skills! See Blackie's Games schedule for details!

WEEKS 5 & 6

MAD SCIENCE- Get ready to let your inner mad scientist out! We'll be conducting various experiments in multiple areas of science, learn about the Scientific Method, make predictions and discuss our findings.

ART IN NATURE- Finding and creating art within nature, we'll take inspiration from artists like Andy Goldsworthy and our very own backyard!

GAME MAKING – Kids will have the opportunity to play different types of games, and then teams will plan, design, test, modify and create their own games using blank game boards, cards and extra pawns.

DISABILITIES (Week 5 Only)– Children will learn about differently-abledness in various forms and experience these differences first hand.

KICKBALL (Week 5 Only) - Build your skills! – See Blackie's Games schedule for details!

BASEBALL (Week 6 Only)- Build your skills! – See Blackie's Games schedule for details!

WEEKS 7 & 8

PIRATES – Explore the world of pirates! We'll learn about everything from pirate ships to “Jolly Rogers” to pirate lore.

POKÉMON – We will explore the designs of Pokémon, their names, their moves and everything else about them. Students will learn about the real life inspirations, collaborate with others to investigate and research information and even design their own Pokémon.

OUTDOOR ADVENTURES- We will be spending our time in the Greenbelt learning about our lush, green surroundings! We will discuss how to identify native trees and shrubs, which plants are useful to humans, camping basics and much more!

SOCCER (Week 7 Only) – Build your skills! See Blackie's Games schedule!

HOCKEY (Week 8 Only)- – Build your skills! See Blackie's Games schedule!

WEEK 9

READ IT, MAKE IT, EAT IT – We'll be reading books, making recipes from what we've read, then enjoy the fruits of our labors!

DUNGEONS AND DRAGONS – Explore a fantasy world full of adventure. In D & D, you get to play a game with friends where you help create the story as you go. Students will get a chance to make their own character and imaginatively overcome obstacles with their peers. **Registration for this class must include our signed permission slip. Ask Andy for details.**

LEGO SIMPLE MACHINES - Using *LEGOeducation* curriculum, kids will build in pairs to learn about wheels, axles, gears, levers and pulleys.

BRAIN TEASERS – Expand your brain power through mazes, puzzles and mental teasers.

OBSTACLE COURSE – Build, practice and beat your best time! See Blackie's Games schedule for details
