About our program

Blazing Trails, located at Pathfinder K - 8 in West Seattle, is a non-profit before and after school childcare program for school-age children ages five through twelve.

Open registration for the 2010-11 school year begins March 23, 2009. Please, come in then for registration paperwork or get copies from our website. Alternatively, feel free to ask us to mail you a packet.

We fill up quickly, so register early!

Children are organized into clans (**Raccoons** are Kindergarten & 1st grade, **Geckos** are 2nd & 3rd grade and **Bison** are 4th through 6th grade). Projects are clan based and activities including field trips can be mixed-clans, depending on the curriculum. Check with Blazing Trails' office for program details.

We are dedicated to supporting families in our community as we help each child develop good self-esteem and celebrate his or her own uniqueness. We maintain an environment that encourages intellectual, physical and social growth with respect for others and the natural environment. People relate to each other peacefully and we joyfully appreciate our rich diversity.

Staff training is a crucial component to accomplishing our goals. We support our staff, both professionally and personally, through respect for each other's personal differences and unique teaching styles. We provide opportunities for shared leadership, professional growth and development and an environment that encourages mutual support and care.
