Summer and Fall Registration

Registration for our summer and fall programs will begin on **Monday April 2nd**. In order to register for either program, you will need to fill out and return a completed registration form along with nonrefundable registration fees. Summer and Fall each have their own registration form, so turning in one will not give you a space for the other. In the past, we have had many questions about the registration process and the registration fees. Here are some things to help you during this process:

- Summer and Fall each have a different registration form and fee
- Registration fees help pay for supplies, field trip t-shirts and staffing to enter all the paperwork that comes in
- **Current enrollment DOES NOT guarantee you a place in either program**
- You're not registered until we have your form, fee and you have received an email confirmation
- Spaces are given on a first come, first served basis
- **Current enrollment DOES NOT excuse you from paying a registration fee**
- All registration forms must be signed before we can give you a spot

If you have any questions about registration for either program, please feel free to ask any of our office staff members.

Important Reminder About Summer

Our teachers will have a dedicated enrichment time built into the summer schedule. Multiple teachers will offer an enrichment activity

25th- Owen B.
27th- Spencer B.

for up to 2 weeks at a time, during one 2 hour time block. Please remember the following:

- **Each age group will have a separate registration form showing the available enrichment activities**
- **Make sure your child/children have a say in what enrichment they sign up for! Unhappy kids tend to make for a harder day for everyone**
- **Children will be expected to participate in the same activity for the duration of the enrichment, i.e. they may not switch places in the middle of the week**
- **Enrichment activities will begin at 10:00, so please make sure that your child is here before that time- late arrivals may miss important information regarding their chosen activities**
- **Some activities require a 2 week sign up- please note which these activities are to help in your summer planning**

If you have any question regarding any of these changes or would like more in-depth information, please feel free talk to any of our staff.

Family Files

On the Family Information Table, each family has a B.T. Family File. This is another way for our staff to communicate with our families.

Please remember to periodically check your family file for any information. We may also write “Check File” next to your child’s name on the sign out sheet.

Examples of what could be in your file are:

- Ouch reports
- Payment receipts
- Information from your child’s classroom
- Paperwork updates

BT Wish List

While going through our clothing inventory, our staff has noticed that there are a few items that we have a limited supply off. If you are willing to donate any of the following, our staff and children would greatly appreciate it:

- Boys pants- fits 5-6 year olds
- Boys underwear- fits 5-6 year olds

- Socks- any gender/age
- Pants with elastic waistbands

Dates to Remember

Wednesday March 14th - BT Council Meeting

All parents are welcome to come. We will be meeting here at Blazing Trails at 6:30. Because this is a meeting, we ask that those wishing to participate in the meeting not bring children so that we can discuss everything we need to.

Monday April 2nd - Summer and Fall Registration Begins

Registration forms will be available online and in house.

Monday April 9th - Friday April 13th - Spring Break

Seattle Public Schools will be closed for Spring Break. Blazing Trails will be open all day from 6:30-6:00.

Sign up for this week will be available this month. Please remember that we staff according to our numbers. If you don't sign up and end up needing care for that week, we may not be able to accommodate drop ins.
