

Our mission is to...

...provide staff and families a safe, diverse childcare environment dedicated to respectful communication, problem solving, creative learning and the freedom to play!

About our program

Blazing Trails, located at Pathfinder K - 8 in West Seattle, is a non-profit before and after school childcare program for school-age children ages five through twelve. We also offer summer enrichment programs.

Blazing Trails' CoRs

Children of different ages are organized into Communities of Respect (CoRs). For the summer, **DUCKS** are 5 year old entering Kindergarteners as of September, 2020. Other BT CoRs are **RACCOONS**, entering 1st-2nd graders and **BADGERS**, entering 3rd grade and up. Also, incoming middle schoolers who are interested may apply to join the **LYNX** CoR (See Mckinsey for more information on the application process). CoR assignments will shift when school starts. Although we are housed at Pathfinder K-8, our program welcomes students who will attend other schools in the fall. **The DUCK CoR and special LYNX CoR will have their own time each day for CoR specific activities, though there will be many opportunities for mixed CoR activities.**

Blazing Trails' Philosophy and Vision

Our vision: "Children are empowered to discover their worth."

We are dedicated to supporting families in our community as we help each child develop good communication skills and celebrate his or her own uniqueness. We maintain an environment that encourages intellectual, physical and social growth with respect for others and the natural environment. People relate to each other peacefully and we joyfully appreciate our rich diversity.

Staff training is a crucial component to accomplishing our goals. We support our staff, both professionally and personally, through respect for each other's personal differences and unique teaching styles. We provide opportunities for shared leadership, professional growth and development and an environment that encourages mutual support and care.

Information

2020 Summer Weeks

- We are open from 6:30 AM to 6:00 PM. during the 9 weeks of the 2020 summer program.
- Blazing Trails is a non-profit organization with its own governing board.
- Blazing Trails maintains, on average, at least an 11 to 1 student/teacher ratio, varying with different activity types; i.e. more kids per teacher with gym/playground activities and less with directed projects. No group is ever larger than 15:1.
- Blazing Trails' "roving teacher" and office staff are not included when figuring the student/teacher ratio and are available to support our teachers and students. They help with problem solving and any other possible challenges.
- We have use of Pathfinder's playground, playfields, playcourt, cafeteria and gym facilities.
- We provide healthy snacks and include many organic and home-cooked options. Check with Molly for more info.
- Students must arrive by 9:50 AM to fully participate in enrichment classes. Late arrivals will miss valuable instructions.
- Parents/Guardians are always welcome to volunteer or to drop by just to "hang out"!
- Blazing Trails accepts DSHS and City subsidies and has some scholarships available (limited) at the Director's discretion.
- Drop-in days are \$62.00 each and subject to availability.
- State law mandates that school-age children be in childcare a maximum of 10 hours/day.

SUMMER ENRICHMENT OPTIONS

Our staff has created several in-depth Enrichment classes that take place over one week. Students will pick their 1st, 2nd and 3rd choices and then will be assigned to an enrichment class based on availability. Adding the larger time block to our schedule facilitates exploration, discovery and a more child-centered approach to learning. Students will have the time and attention to really build skills and explore interests. Please see the Summer Games/Enrichment Schedule specific to your child's CoR for more information about enrichment choices. **REMEMBER - You must arrive at BT by 9:50 AM for enrichment classes. Late arrivals may have to make other choices.**

LYNX CoR: The Lynx CoR is designed for incoming middle school students who are **not yet 13 years old** and who display competence with self-direction, making positive choices and following staff directions. Curriculum is student designed, driven and includes student selected science explorations, art and design, community involvement and other special adventures. Inclusion is by permission only – See LYNX Schedule and McKinsey for more information.

PLEASE HELP YOUR CHILD BE PREPARED

REQUIRED
FOR FIELD TRIPS:

RECOMMENDED
EVERY DAY:

FIELDTRIP INFO: Students **MUST** arrive by **9:00 AM** to attend fieldtrips. For safety, late arrivals may not join the trip after it has started. Unless otherwise posted, fieldtrips will be over by **5:30 PM**. The costs of most fieldtrips are included in tuition, although some special fieldtrips may cost an extra fee based on yellow bus rental and admission fees. These fieldtrips are marked with an "\$" on the Summer Games Schedule and the Sum Reg. form. Specific information will be available at least one week in advance and charges will be assessed based on actual attendance on the next month's bill (some scholarships are available based on need).

NOTE: Any students new to Blazing Trails are required to schedule at least one full day remaining at the Blazing Trails' site before he/she attends a fieldtrip. It's important that your child get to know our teachers and become familiar with our ways. It is equally important for our staff to learn about your child. This policy is for your child's comfort and safety.
